Strong parasols Sturdy service

Imagine you are sitting on a cosy terrace where the wind is rising. People grip their hat and put their hands on the table to keep the table cloth in place. Chairs are shoving away. Nobody is looking up. **The Symo Parasol stands tough.**

Symo sunshades provide **comfort**. Anyone choosing for Symo does not question the **quality** of the product. The customer is only selecting the colour and accessories because he knows that the basic product **stands firm**.

The owner of a Symo parasol is **proud** to have a piece of art. It is the result of almost 85 years of **experience**, **craftsmanship**, the use of top quality materials and a product warranty.
If someone mentions Symo, you'd rather ask him 'what Symo do you have?' instead of 'why Symo'?

Facts & figures

- **Heavy Duty** Hospitality parasols
- Parasol **experts** since 1932
- Almost 85 years of experience
- Supplied over **1.000.000** umbrellas and parasols
- Exports to more than 50 countries worldwide
- 3.000 m² workshop
- Production, **product development**, design

CLASSICO

The upper class of traditional garden parasols

Shelters from both sun and rain

Longer operational life due to the **highest quality** on the market. Entirely **made in Europe**, unlike most parasols of this type.

Many models with tilt for extra sun **protection**

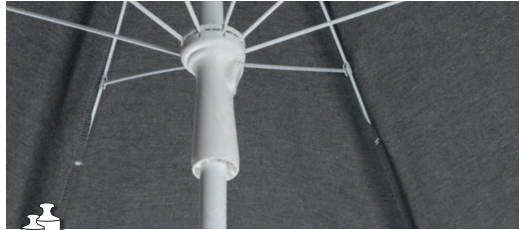

Extra strong ribs thanks to European quality spring steel

Personalize your Classico:

- Choose your canvas colour and pattern
- Print your logo or advertisement

Adjustable height thanks to **functional** clamp and telescopic parasol pole

LIGHTING

Light up your parasol

The original: the first wireless parasol lighting in the world

Automatically adjustable to **any parasol pole** with diameter 35 to 51 mm

2 hours of charging = **6 hours of light**

Rechargeable like your mobile phone

QUASEO

QUASEO

0,8 KG

26 x 36 x 8 cm

LAMPS

6 x 6 = 36 LEDS

Wireless parasol lighting.

Runs on a rechargeable battery

Choose your own mood lighting. Indirect (upwards) or direct light (downwards)

Easy: User-friendly and simple installation

Open and close: Fixed lighting system. LED light does not have to be removed when closing/opening the parasol

Cosy: Warm light for warm evenings

Long evenings: 7 hours autonomy

Safe: Waterproof and CE approved for outdoor use

LED

A battery powered LED lighting system, easy to install on parasol

LED

24 DC - 60 led/m - 4,8 watt/m - Length 50 cm

IP 68

Warm, white colour light 2700-3500 K

Expected life span: min. 100.000 hrs

BATTERY

Lithium ion

Chargeable up to 7 hours battery light

24V - 6000mAh

On/Off switch with led indicator

HEATERS

Enjoy nice winter days outdoor

Radiation heating: warms the body not the air (like the sun)

Wind doesn't blow the heat away

No loss of energy through convection (=ascending hot air)

No use of oxygen

No noise, no condensation

No fire, no flames, no smoke

Safer than gas heaters

Cheaper in use than gas heaters

ORCHESTRA

Orchestra is the European brand name of the awning grade quality fabric made by Glen Raven. Glen Raven is the **manufacturer of Sunbrella**. Why do we use Orchestra instead of Sunbrella ? Because Orchestra is, compared to Sunbrella, **more waterproof** and comes with a **10 year guarantee** against colour fading.
